

# LES ROMAINS

*vignes des deux soleils*

Close your eyes and imagine: at the heart of Languedoc, the cicadas are singing, the air is warm, the sun is shining. On the white limestone rock trails, two winegrowers follow the Via Domitia: the oldest road in France traced by the Romans from 118 BC. JC. Remarkable points of view are offered to them and tell stories of families around a glass of wine: the Pays d'Oc is a vineyard of conquerors and builders.

Les Romains rouge is the ideal blend for traveling in the Pays d'Oc: an intense Cabernet Sauvignon and a touch of velvety Merlot.
